## MINI BTC PREPARATION (28<sup>TH</sup>-29<sup>TH</sup> NOV)

The presentations of the projects are happening on 28th and 29th. Each team will get 7 min to share their project. The 1 minute 30 sec video will be shown first and the team will be called up to the front and 3 questions will be asked. No need for them to bring anything else.

After presenting the children will be asked up to 3 of these questions:

1. What inspired you to choose this issue?
2. What was the most challenging part of the process?
3. What did your parents have to say about to spending time on the project outside of class work?
4. Can you give us 3 things you learned about yourself?
5. How did you decide your roles and responsibilities?
6. One thing you would do differently if you were to do it again?
7. What did the people affected by your solutions say?

## CLOTHING SUGGESTIONS

**Airport Travel** – we recommend that you ask all your children to wear **the same colour t-shirts** as you go through airports to make it easier to keep track of and identify

**Opening Ceremony (27<sup>th</sup>)** – **traditional dress of your country** - we think it would be amazing to get a picture of all 2,000 participants in their traditional dress here

**BTCs (28-29<sup>th</sup>)** – **casual clothing** is ok for these days (jeans, t-shirts, shirts), but if participants would like to **dress more formally** when presenting they are more than welcome to

**Closing Ceremony (30<sup>th</sup>)** – **ICCGS t-shirts** – for the final day we want to show the I CAN power of children to the pope and the world by wearing our I CAN summit t-shirts
